Other Court Action: None

RE: Jonathon Jovan Ward
Docket Number: 1:03CR05368-03 AWI
PETITION TO MODIFY THE CONDITIONS OR TERM
OF SUPERVISION WITH CONSENT OF THE OFFENDER

PETITIONING THE COURT

To modify the conditions of supervision as follows:

You shall participate in and successfully complete a mental health treatment program, which may include testing, evaluation, and/or outpatient counseling, as approved and directed by the probation office. You shall refrain from the use and possession of beer, wine, liquor, and other forms of intoxicants while participating in mental health treatment. Further, you shall be required to contribute to the costs of services for such treatment, as approved and directed by the probation office based upon your ability to pay.

Justification: Following release from the Bureau of Prisons, the supervisee established residency in the District of Nevada. After reviewing his special conditions, it was recommended the supervisee undergo a mental health evaluation due to an arrest that took place in January 1997, when he was 15-years old, to wit: Lewd Acts With a Child Under the Age of 14. The supervisee's special conditions do not include a mental health condition. As such, the probation officer for the District of Nevada recommends that special conditions be modified to include mental health. The supervisee offers no objection to the probation officer's recommendation and signed the *Waiver of Hearing to Modify Conditions of Supervised Release*, which is attached.
